Election 2020

MAKE YOUR VOICE COUNT IN ELECTION 2020

If you're elected to the next Government, what will you do to support Ireland's 355,000 family carers who save the State €10 billion each year?

- Will you reform the means test for Carer's Allowance?
- Will you abolish the postcode lottery in carer supports by funding the €3.2m Carers Guarantee proposal?
- Will you commit to increasing funding to ensure demand-led access to homecare?
- Will you commit to giving all full time family carers a right to 20 days respite per year?
- Will you commit to abolish waiting lists for essential therapies for children with special needs? (e.g. speech & language, physio, occupational therapy & psychology)
- An issue of particular concern to me is:
