

Information Officer: Cork (South & West)

Family Carers Ireland (FCI) is the national charity supporting over 500,000 family carers across the country who dedicate their lives to caring for loved ones such as children or adults with physical or intellectual disabilities, frail older people, those with palliative care needs or those living with chronic illnesses or addiction. We provide a range of services and support for family carers nationally from our local support centres, in the community and online.

Hybrid - 18.5 hours per week (part-time)

JOB SUMMARY

The remit of the Carer Supports Community team is to deliver one to one support to family carers, alongside the design, development and implementation of group and community-based supports. This team will manage delivery of local and national events (Family Carer of the Year Awards, National Carers Week, respite weekends, training & education).

The Information Officer (IO) will work with the Support Manager (SM) for Cork South & West. Their role will involve responding to queries from family carers using the Carers Star Conversation. The Information Officer will work with the Support Manager in the administration of carer supports including but not limited to scheduling of carer clinics, workshops, support groups, making internal referrals and signposting to external organisations etc.

The Information Officer also provides support to their Network team as required, which will include supporting fundraising. The Information Officer will be expected to travel to local and national meetings on a regular basis.
